

Arab's monthly brush schedule

The Arab Public Works Department brush truck rotates every week to a new section of town picking up lawn clippings, tree branches and similar yard debris left by the roadside. The schedule for the four sections of town are listed below.

The city's charge for picking up the first load is included in the \$5 monthly fee. To pick up a second load in a month, the charge is \$100, and three loads in a month cost \$200.

If residents have contractors cut trees, they need to ensure that the contractor hauls away the branches and brush. Pick-up is not offered for contract cutting.

The same holds for residents and businesses that hire a lawn care service. The hired service is responsible for hauling off all clippings, leaves and debris.
