

## Arab Parks & Recreation Facilities

***Note: All persons will be responsible for providing their own hand sanitizer while using any of the facilities.***

Based on new guidance by the Alabama State Health Officer that became effective on May 11, 2020, the following changes have been made regarding the use of Arab Parks & Recreation facilities:

- **Recreation Center** will be open for walking purposes only beginning May 13, 2020.
- **Swimming Pool & Splash Pad:** At the present time, we are **NOT RE-OPENING** the pool & splash pad. We cannot see anyway to comply with the 50% occupancy limit, or the 6' (six foot) social distancing between individuals (*this may change as new guidance is received*).
- **Ball Fields** will be open for casual use, however interaction with another person of closer than 6 feet and activities that require use of shared sporting apparatus or equipment is prohibited.
- **Tennis courts** will be open as long as social distancing is practiced.
- **Disc Golf** will be open as long as social distancing is practiced.

***\* We hope to be able to open more facilities and amenities as the guidance is lifted or modified.***
